Healthy Eating – Fruits & Vegetables

- Eat plenty of fruit & vegetable of all colours.
- Choose unflavored milk, plain yogurt, small amounts of cheese and other unsweetened dairy foods.
- Water should be the drink of choice with every meal and snack.

NOTE: Soda is prohibited at school.

First Term Events

Parent & Teacher Meeting.

23rd Jan - grade 4,6 & 7
 30th Jan - grade 1,2,3 & 5
 6th Feb - Nursery section.

*Valentine day!
 Pupils of various
 classes made
 cards and
 creative art*

Mama Africa

Our visit to the circus 3rd Feb. The students were all so excited and thrilled. Certainly a day to remember!

Field trip

On 24th Feb Grade 1 & 2 went to Dar es Salaam zoo. An educational tour to new places is not just a fun get-away. It is about exploring new environments and cultures.

Field trip

On 23rd Feb Grade 3 & 4 went on an educational tour to Village museum (Makumbusho)

Grade 4 Party

Celebrating the success of Grade 4 (2020) national exam result on 22nd January 2021

In-House Debate

On 26th Feb grade 6 and 7 had an "In - House Debate"

Imaginary Room

Imaginary play gives an opportunity for kids to practice and develop their language & social skills.

Swimming

Swimming activity conducted every Thursday (Nursery) and Friday (grade 1, 2, 3 and 4)

Reading corner

Reading helps children learn to value books and stories. It sparks your child's imagination and stimulates curiosity.

Fine motor skills

Threading increases concentration span, improves hand manipulation, improves bilateral coordination and prepares children for mathematics concepts.

Soft room activities

Soft play gives children the opportunity to develop motor skills and help create a safe environment for children.

Easter themed craft

Pupils were happy to go for their midterm break. Even happier to go home with their work.
